WHAT WE DO

Peninsula Habitat for Humanity builds communities. We construct decent, affordable, ownership housing throughout San Mateo County in partnership with low-income families and the community. Our success in making homeownership a reality in one of the nation's most expensive real estate markets is due to the overwhelming support we receive from corporations, businesses, foundations, faith communities, civic groups, individuals, and the community at large. As we approach our 15th year, each of our 82 families—154 adults and 223 children—is now a homeowner and has begun to break out of the cycle of poverty.

We've Arrived!

Peninsula Habitat for Humanity - First eNewsletter

Dear Friend,

Christmas eSolicitation

Isn't a great feeling when you've done something that has changed the life of another person? I am writing today to let you know that as a friend and supporter of Peninsula Habitat for Humanity you have helped change the lives of needy families this year. And it doesn't have to stop.

There are so many we have had to turn away. And yet together we can help them. We are at an exciting time when we have the potential to build dozens of new homes for needy families.

[Would you help us this Christmas?](#)

Please support us with an online gift today. Imagine what it must feel like to work hard and yet know you can never hope for anything better for your family than run down, rental housing. Then imagine what it feels like to receive a new Habitat for Humanity home.

[These families' lives aren't changed – they are transformed!](#)

If you have already given a gift this year we want to thank you. I hope you are able to continue your support now. We can provide decent, affordable housing for families who otherwise would never know anything but life in poverty. [Please make an Online Gift in memory or in honor of someone this Christmas to today!](#)

Please join us by making your gift online today.

[WE CAN DO IT TOGETHER!](#)

Thank you & Merry Christmas,

Jennifer Fagerstrom
